## Covid-19

To all Fin Addict Partners and Volunteers

During this time of unprecedented uncertainty, all of us here at Fin Addict Angler Foundation are concerned about the safety and well-being of our families, colleagues, volunteers and partners and the many friends who make up our Fin Addict Angler Foundation Family.

In Addition to the safety measures we normally take in our day in and day out activities, we will temporarily hold our services. We will reopen as soon as our city leaders lift the stay-in stay-safe order. We are in the early stage development of managing the process of cleaning our equipment during the events to ensure some control is being attempted for the safety of our participants and volunteers.

Please continue to review from time to time our 2020 Calendar as we are working closely with city officials on when we can resume our services.

Our hearts are with those who have been affected personally by the outbreak of Coronavirus (Covid-19) as well as the many communities around the world that are facing extreme measures in the attempt to slow its spread of Covid-19.

Stay Safe

Mark Martinez  
Liaison Officer
